## PREFACE

THE GENERAL CONFERENCE MENNONITE CHURCH is an entity composed of member congregations in North and South America. It is incorporated under the statutes of the state of Kansas in the U.S.A. Churches have united to form a Conference of Mennonites in Canada and several district conferences in the United States based largely on geographical location.

The delegate body which meets triennially is elected by individual churches on the basis of one delegate per thirty members. At the triennium sessions delegates elect three officers: president, vice-president, and secretary. The delegate body also elects members to a general board, program commissions, a seminary board, and a division of administration. These bodies meet annually in what is referred to as a Council of Commissions. It is at these sessions that action programs are planned and the annual financial budget is adopted.

A subsidiary corporation, Church Extension Services, is incorporated under the statutes of the state of Kansas and deals with specific areas of program work.

A number of institutions and organizations, such as Africa Inter-Mennonite Mission, Mennonite Central Committee, colleges, and hospitals bear a functional relationship to the conference through the commissions. These institutions recognized as "General Conference-related" are not a part of the corporate structure of the General Conference Mennonite Church. They have their own corporate structures as set up under the statutes of the states in which they are located.

## MENNONITE FELLOWSHIPS, CONFERENCE RELATED CHURCHES AND NATIVE MINISTRIES

This listing attempts to bring together the names and addresses of house churches and intentional communities in the Anabaptist-Mennonite stream. Most of these groups are not members of any district/area conference or churchwide group, but many are sponsored by district/area mission committees.

**CHINA**

The relaxation of tensions between the United States and China has provided opportunities for some Mennonites to join tours to China. To date, those tours have provided no clue to what happened to the Mennonite churches. However, there have been interviews with other Chinese church leaders who report that the church survives under the totalitarian regime—under what restrictions or conditions is not clear.

COM maintains an interest in China and provides support for the publication and distribution of the Bible in Chinese through the United Bible Societies.
